

# MADE FOR RENTERS LOVED BY AGENTS

RentPay is the secure and simple-to-use payment platform that saves agents time and money with fast, accurate receipting, while making life better for renters.

## Why agents love it

**FASTER RECEIPTING  
AND NO DISHONOURS**

**INTEGRATES WITH ALL  
ACCOUNTING PLATFORMS**

**MORE WAYS  
TO PAY**

**AUTOMATED PAYMENTS  
AND ALERTS**

## What agents say

### RentPay has been amazing

RentPay has been amazing, not only has it helped streamline our receipting processes, but our tenants love the choice of payment methods. Plus, we have peace of mind knowing that once we have received the funds they won't dishonour.

Andréa,  
Rental Management Australia

### Highly recommend!

Our agency has just transitioned over to RentPay and the process could not have been simpler! The truly amazing and helpful part was they directed and handled the entire onboarding process with our tenants. This type of customer service is unheard of. Being an Australian based company, RentPay made troubleshooting and support that much easier. Highly recommend!

Kevin,  
Shield Management QLD

### RentPay is easy

The team at RentPay were super proactive to get the job done! They were easy to email, easy to call, easy to get hold of. They got our tenants on board, fast.

Danni,  
Ray White QLD

# SIMPLE PRICING

**\$0**

To sign up

**\$0**

For agents

## What renters say

Accepted by  
all agents

### App looks excellent

App looks excellent and the features are unique! Excited to have full control of my rent payments and building a credit status.

Michael

### A game changer

This app is a game changer, I love it! Very easy to use, would definitely recommend.

James

### Works seamlessly

Absolutely awesome app that works seamlessly and takes the stress of paying rent completely out of my hands.

Nkoangel
